CLOTHING NEEDS

We occasionally have students in need of a change of clothing at school. If you are spring cleaning your child's closet and have any leggings/athletic pants in large, small, or extra small sizes, that you were going to donate, we would gladly make use of those. We would also appreciate any donation of new boy's underwear. ***If your student has needed a change of clothing at school, please launder those items and have your student return them to the office.***

SCHOOL GARDEN

On Monday, April 22nd, there was a lot of activity near the playground. Students, with volunteer helpers, were hard at work building a school garden. This was made possible due to the support of local organizations & businesses. Please see the attached slideshow created by our students to thank them for their support.

Watch for a summer sign up coming soon, where your family can volunteer for a week to tend the garden by watering, weeding and harvesting some free produce!
