Non-Consent Form 2023-2024

Dear Parent/Guardian,

At Zeeland Public Schools, we love to tell our story. This includes promoting the accomplishments and experiences of our students and staff. This may include but is not limited to class projects, artwork, athletic activities, honor roll, specialized awards, and school events.

ZPS utilizes a variety of methods to share this important story of student growth and success, including newsletters, media outlets, and social media sites like Facebook and Twitter, etc.

Your authority to withhold your child's name, photograph, or work published in print or electronically is important to us and is your right. Under the Family Educational Rights and Privacy Act, the request must be made in writing.

Below is a form providing you with the opportunity to withhold your child's information. Please return this form to your child's school office as soon as possible. This form is only required if you wish to have your child's information withheld. By not submitting this form, you agree to the district's responsible use of names, photos, and works.

This request is only applicable to the 23-24 academic year. Requests must be made each year to ensure complete accuracy.
