

Cityside Middle School

10/04/17

Dear Parent/Guardian:

We believe that participation in the middle school athletics program is an important part of a well rounded education. In order to ensure your child's success in both the academic and athletic arenas we will be monitoring each athlete's grades during the season.

Michigan High School Athletic Association guidelines state that athletes must be passing 4 out of 6 classes in order to compete in athletic contests. As part of the Kent-Ottawa Conference we have agreed to adhere to these guidelines. Every two weeks your student's eligibility will be monitored through communication between teacher, athletic director, and coach.

To maintain eligibility students will have one week to bring failing grades up to a passing mark. Because it is important for students to have time for study, ineligible athletes will not attend practices or contests for a minimum of one week, or until they are passing the requisite number of classes.

Please take time to review the Athletic Code with your child. If you have further questions direct them to Tim Ritsema at Zeeland East High School.
